

A photograph of a landscape under a dramatic, cloudy sky with a faint rainbow visible at the top. In the center, a large, leafy tree stands prominently. In the foreground, three people—a woman and two children—are standing in a field of tall grass and other vegetation. The woman is on the right, wearing a blue top and a patterned wrap. The two children are on the left, one in a striped shirt and the other in a light-colored shirt.

zero mission trees

Embedded Artists

has hereby offset **172 t** CO₂e corresponding to CO₂e emissions from operations between July 2011 and March 2012. The offsetting is realized through tree planting in cooperation with smallholder farmers in Malawi. On top mitigating the effects of climate change the project has many environmental and social co-benefits.
