

The logo for 'zeromission' features the word 'zero' in a bold, black, sans-serif font, followed by 'mission' in the same font. The 'o' in 'zero' is replaced by a stylized green circular graphic consisting of three concentric, slightly offset rings.

# zeromission

## Embedded Artists

has offset 77 tCO<sub>2</sub>e corresponding to emissions from operations between 1 June 2019 and 31 May 2020. The offsetting is done through tree-planting in co-operation with smallholder farmers in Uganda. As well as carbon sequestration the project "Trees for Global Benefits" delivers many social benefits, agricultural products such as fruit and valuable ecosystems services.
