

The logo for 'zeromission' features the word 'zero' in a bold, black, sans-serif font, with a green circular graphic composed of three concentric rings around the 'o'. The word 'mission' follows in the same bold, black, sans-serif font. The background of the entire page is a close-up photograph of a young green seedling with two leaves growing out of a black plastic nursery bag filled with soil. Other similar bags and seedlings are visible in the blurred background.

has offset **89 tCO₂e** corresponding to emissions from operations between 1 June 2020 and 31 May 2021. The offsetting is done through tree-planting in co-operation with smallholder farmers in Uganda. As well as carbon sequestration the project "Trees for Global Benefits" delivers many social benefits, agricultural products such as fruit and valuable ecosystems services.
