

The logo for 'zeromission' features the word 'zero' in a white, lowercase, sans-serif font, followed by 'mission' in the same font. The 'o' in 'zero' is replaced by a stylized circular graphic consisting of three concentric white rings. The background of the entire page is a photograph of a lush green landscape with rolling hills and a dense forest of tall, thin trees in the foreground. The sky is blue with scattered white clouds. A green diagonal shape is visible in the bottom right corner of the page.

## Embedded Artists

Hereby offsets 88 ton CO<sub>2</sub>e for emissions arising from company operations during 1/6 2022 - 31/5 2023.

The emissions are offset through tree planting in the project Trees for Global Benefits in Uganda. Alongside carbon sequestration, the trees grow into forest which provide valuable ecosystem services such as soil structure integrity, increased food security and a source of income for participating farmers. All species planted are native to Uganda which helps support biodiversity and boosts adaptation potential for the impacts of climate change.
