

Declaration: PFAS

Per- and polyfluoroalkyl substances (PFAS), sometimes called "forever chemicals," is a group of thousands of substances widely used in many industries. Due to growing awareness of health and environmental concerns, PFAS are facing increasing scrutiny worldwide. In-force and proposed measures set restrictions or requirements on PFAS use in some jurisdictions, and due diligence may be necessary to meet legal obligations, ESG commitments, and/or business requirements.

To whom it may concern, Embedded Artists AB, Rundelsgatan 14, 21136 Malmö, Sweden declares that, to the best of our knowledge, all electrical and electronic equipment (EEE) sold by the company do not contain PFAS chemicals.
